

## Family Camp Speaker

Nate Hasty has the privilege to serve as pastor of State Street Church in Portsmouth, NH. Growing up in New England, it was in his late teens that God transformed his life through the redeeming news of the Gospel. Since that time, God has graciously allowed Nate to serve in various ministries including student ministry, working with college students, and camp ministry. Through these various opportunities, God has continued to grow in him a heart for seeing the Gospel transform lives. He has a passion to see people experience Christ through the power of the Holy Spirit by helping people understand how the Gospel is applied to everyday life for our good and God's glory. Nate and his wife Kim celebrate thirteen years of marriage this year and together they have four boys.

## Meals & Accommodations

Preregistration is strongly encouraged! Most cabins will be used as single gender housing. However, there will be a limited number of family-friendly spaces available. Preregistration will also help with food preparation. Please note, ALL are welcome to attend regardless of pre-registration and if you can't attend the entire weekend we hope that each will join us as they are able.
