Camper Registrations can be filled out at nomacca.com

64 Nomacca Drive
Mapleton, Maine

Camp NOMACCA

Camp NOMACCA is a faith-based summer camp founded in 1921. It has been offering camp gatherings and youth camps for over 100 years! We currently offer programs for children entering grades 1-12 as well as our graduating seniors. We also offer a Family Camp that operates over the first weekend of camp. We stand firm in our desire to offer a place where the young, and young at heart, gather to grow closer to God and closer to one another. It is our hope that kids especially, will come to build lasting biblical relationships on the grounds of Camp NOMACCA. Whether the seed of faith is planted at camp, or it is watered...we pray God gives the growth!
